Guidelines for oral Presentations

1. Presenting delegate should share his/her PPT well in advance with conference administrative team on the day of presentation, in Pen drive.
2. Delegates are not allowed to use their own laptops. (Delegates preparing their presentation using Macbook are requested to kindly bring a Windows compatible version to avoid any last-minute glitch)
3. Each delegate will be allocated total 15 minutes for presentation including question answer session and are requested to kindly prepare the presentation accordingly.
4. Delegates will be provided with a pointer during presentation.
5. The sequence of oral presentation will be communicated to the delegates well in advance for smooth execution of the event.
