

Research Fellow

Name	Mr. Tripathi Prince Anandprakash	
Email	prince.pharmacy17@gmail.com	
Qualification	Ph. D (Pursuing)	
PCI Registration No.		
Research Topic	Development and evaluation of formulation using standardized herbal extracts for management of Piles	
Guide Name	Dr. D. M. Patel	

Profile	M. Pharm. (pharmaceutics), B. Pharm. Area of Research : Development & evaluation of herbal formulation for treatment of hemorrhoids.
---------	--

Teaching / Lab Details	Teaching & Lab experience in B. Pharm.
------------------------	--

Training / Workshop / Seminar Details	<ul style="list-style-type: none">• Attend Two Days training program for laboratory technician at GTU-SP, March 2023.• Attend World IP Day Seminar at GTU, March 2023• Attend Expert session of Dr. Rajkumar Buyya Sir at GTU, April 2023.• Participated in Reference management system Organized by NDLI, June 2023.• Attended DBT sponsored seminar on Thernostic Nanomedicine at NIPER-A, August 2023.• Attended Seminar of Thermal Analysis & Rheometry - Indispensable Tools for the Characterization of Pharmaceutical by Dr. Gabriele Kaiser from Germany at NIPER-A, November 2023.• Attended Seminar of Regulations of Nutraceuticals- A Practical Insights at GTU-SP, February 2024.• Attended Seminar of Symposium on Data Analytics, Machine Learning and Artificial Intelligence (DAMLAI), March 2024.• Attended Technology Transfer Summit 2024 at GTU, April, 2024.• Attended Expert lecture on "Strategic Prior Art Searches: Enhancing Research Outcome." At GTU-SP, July 2024.• Attended Hands-on Training on "Hot Melt Extrusion in Manufacturing of Implants/Inserts." At NIPER-A, July 2024.• Participated National Seminar on "Challenges in the formulation, Characterization and Evaluation of Nano particle – Drug Delivery System at N. M. Padalia Pharmacy College, August 2024.
